

# Homespace Corporation is Seeking Volunteer Gardeners

*for the 2021 growing season*

Homespace Corporation currently operates a **Therapeutic Garden** at our Homespace Supervised Independent Living Program located at 1030 Ellicott Street in Buffalo, NY. We are a member garden with Grassroots Gardens of WNY and a pilot site for GGWNY's Therapeutic Gardening Task Force.

## Requirements

Due to the population of vulnerable children and youth we serve, volunteer candidates must:

- be over the age of 18,
- have their own transportation,
- commit to a minimum of 15 hours of service,
- complete a Volunteer Application
- consent to fingerprinting
- consent to a background check

If you're interested in a socially distanced volunteer opportunity for the 2021 Growing Season, please contact us to begin the process.
