# A Note From Our Chief Executive Officer

As we move through the final months of 2026, I've been reflecting on the progress we've made at Homespace throughout the year. We've celebrated meaningful accomplishments and strengthened community partnerships, all while remaining focused on our mission of helping young people successfully transition into adulthood.

This summer and early fall, we were fortunate to see an incredible show of community support. Our Give 716 campaign, Homespace Night at the Bison's, and Mr. Goodbar fundraiser were each our most successful yet! I want to extend a heartfelt thank you to everyone who donated, attended, or helped make these events possible. Your support and generosity means so much to our organization and, more importantly, to the young people we serve.

# A Note From Our Chief Executive Officer

We also celebrated our annual Homespace Day, one of my favorite opportunities to bring our staff and youth together for a day of fun. With food, music, games, face painting, caricatures, and more, it was a wonderful opportunity to step away from our daily routines, enjoy each other's company, and celebrate the sense of community that makes Homespace so special.

While I'm proud of the progress we've made as an organization, what makes me most proud is the dedication of our team and the resilience of the youth we have the privilege of supporting every day. Over the years, I've witnessed firsthand the incredible difference that a stable and supportive environment can make in a young person's life. Our work is not always easy, but every milestone and every step toward independence reminds us why it matters.

As the holiday season approaches, I'm especially grateful for the generosity of our community. Our annual Holiday Angels drive is underway, and we're looking forward to once again bringing some extra joy to the young people and families we serve. Whether you've supported one of our events, sponsored a family, or contributed to our mission in other ways, please know how much your kindness means to us.

Looking ahead to 2027, I'm excited about what the future holds for Homespace. We will continue building on the progress we've made while exploring new opportunities to better serve our youth. There is always more work to be done, and I look forward to all that we can accomplish together as we continue Fostering Independence, Inspiring Growth.

With gratitude,

*Lindsey Carter*

# Be A Holiday Angel

## Gifts. Hope. A Brighter Season.

The holiday season is a time for giving, and the Holidays can be especially challenging for many of the youth we serve. Through our annual Holiday Angels initiative, your support helps provide Christmas gifts for our youth, bringing joy, comfort, and a reminder that they are not alone. Together, we can create meaningful holiday memories and remind our youth that they are valued, supported, and deserving of a little extra joy.

**Every gift makes a difference!**

### Three Ways To Get Involved

1. Adopt a family and fulfill their Christmas wish list.
2. Volunteer at our office at 135 Delaware Ave. to help wrap gift donations on 12/8 or 12/9
