From the desk of CEO Lindsey Carter

Dear Friends of Homespace,

There has been a great deal of excitement at Homespace this year, and we are grateful for the many opportunities to celebrate growth, strengthen partnerships, and enhance the experiences of the youth we serve. One of the highlights of this spring was the transformation of the Community Room and connected outdoor space at our SILP program through a partnership with Safelite Safe Space and Foster Love. We are incredibly grateful to Safelite for selecting Homespace for this opportunity and for their investment in creating spaces that support our youth. These spaces are an important part of daily life for the young people we serve. They are where youth come together for groups, shared meals, and time to connect with one another. The redesigned indoor and outdoor spaces have created a more welcoming environment where youth can gather, build relationships, and feel at home. We were thrilled to celebrate the transformation with our community at the ribbon cutting ceremony on April 29 and look forward to seeing the positive impact these spaces will have for years to come.

In May, we welcomed supporters, community partners, and friends to Rooted in Purpose: A Celebration of Growth & Giving. It was a special evening that highlighted the strength of the youth we serve and the impact of community support. Thank you to everyone who attended, sponsored, donated, and helped make the event such a meaningful success.

This spring, Homespace successfully completed its re-accreditation through the Council on Accreditation (COA). Following a comprehensive review, we were proud to receive expedited accreditation, recognizing the strength of our programs and the quality of services provided across the organization. This achievement reflects the dedication of our staff and our ongoing commitment to helping youth build successful and independent futures.

We were also excited to celebrate with our youth at our annual end-of-school-year party and congratulate those of our youth who are graduating from various educational programs! This special event is always a highlight for our residents and staff, giving us the chance to recognize the hard work our youth have put into school and their personal goals throughout the year.

This summer, we are excited to participate in Give716 again this year, and to partner with the Buffalo Bisons for a fundraiser game on August 7th benefiting Homespace. A portion of ticket sales and the evening's 50/50 raffle will support our programs and the youth we serve. We are also looking forward to a community fundraiser at Mister Goodbar on September 25th and hope to see many familiar faces there.

As always, thank you for being part of the Homespace community. Your support makes it possible for young people to build stability, develop life skills, and move confidently toward independence.

Warmly,
Lindsey Carter

Before

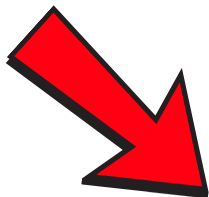

Homespace won an extreme makeover: *foster care edition* at our SILP site that has now been revealed!

After

Rooted in Purpose: A Celebration of Growth & Giving

Thank you for joining us at our 1st annual fundraiser at the Botanical Gardens on May 19th! We could not be more excited to start this partnership with the Buffalo & Erie County Botanical Gardens, and raise money in a beautiful setting for HomeSpace youth and their future. We hope to see you back next year in their BRAND NEW temperature controlled event space, opening 2027!
