

A Mother's Day Fundraiser

CELEBRATING THE MOTHERS OF HOMESPACE

Homespace Corporation seeks local businesses to feature their favorite item(s) for Mom in our specially curated gift basket or as a donation to our silent auction. Our pre-order gift baskets will include a number of handmade & local items to honor and pamper that special Mama in your life! All proceeds from this fundraiser support the programming Homespace provides to at-risk youth and their children in the foster care system.

WHY HOMESPACE?

For over 25 years Homespace has been providing holistic, individualized services for youth in foster care between the ages of 14-21. Homespace has developed our programs to support new mothers on their journey to achieving success and independence, **two generations at a time.**

Homespace is “Home” to over 25 Mothers and their children annually, and we support over 15 additional Mothers and their families living in the community.
